INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Minnesota Independent School Forum
Saint Paul, Minnesota

We have audited the accompanying financial statements of Minnesota Independent School Forum (a nonprofit organization), which comprise the statements of financial position as of June 30, 2015 and 2014, the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Minnesota Independent School Forum as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

MINNESOTA INDEPENDENT SCHOOL FORUM
NOTES TO FINANCIAL STATEMENTS
June 30, 2015 and 2014

Note 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. NATURE OF ACTIVITIES

Minnesota Independent School Forum (MISF) is a Minnesota not-for-profit corporation organized under the laws of the State of Minnesota. MISF is a collaborative enterprise of leaders from the civic, education, and philanthropic communities who share a common interest in providing greater educational opportunities for a diverse group of students in member schools. MISF's mission is to strengthen Minnesota's K-12 Independent Schools through advocacy and advancement. Contributions and grants are to support general operations and received for various programs by MISF and are summarized as follows:

- Public policy program – provides resources to member schools regarding legislative issues affecting private education and educates community leaders, policy makers and administrators regarding private school education issues.
- Educational conferences – conducts conferences for member schools and others in the educational community.
- Member services – provides information and assistance to the member schools of MISF.
- Math and science initiative – STEM (Science, Technology, Engineering & Math) – provides equipment, conferences, and grants for math and science programs for member schools.

B. BASIS OF PRESENTATION

Financial statement presentation follows U.S. generally accepted accounting principles (GAAP) and are prepared on the accrual basis of accounting. GAAP establishes external financial reporting by not-for-profit organizations and requires that resources be classified for accounting and reporting purposes into three net asset categories: (a) unrestricted net assets, (b) temporarily restricted net assets, and (c) permanently restricted net assets. Net assets of the two restricted classes are created only by donor-imposed restrictions on their use. All other net assets, including board-designated or appropriated amounts, are legally unrestricted, and are reported as part of the unrestricted class. MISF does not have any permanently restricted net assets.

C. CONTRIBUTIONS

MISF reports gifts of cash and other assets as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributions receivable consist of commitments from various foundations and private donors. There is no allowance for uncollectible accounts, as management believes all contributions and grants receivable are collectible. The present value discount is immaterial and has not been recorded. Contributions are recognized as revenue in the period when an unconditional promise to give is received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

MINNESOTA INDEPENDENT SCHOOL FORUM
NOTES TO FINANCIAL STATEMENTS
June 30, 2015 and 2014

D. MEMBER DUES

Member dues are revenue provided by the member schools and is used for the operating expenses of MISF and certain direct and indirect program expenses. MISF extends credit on an unsecured basis to its member schools, all of which are private schools in the State of Minnesota. Member dues receivable are stated at unpaid balances, less an allowance for doubtful accounts of \$0 at June 30, 2015 and 2014. Losses on receivables are provided for using the allowance method, which is based upon experience and other circumstances, which may affect the ability of member schools to meet their obligations. Receivables are not considered delinquent if payment is received within 90 days.

E. IN-KIND CONTRIBUTIONS

Donations of goods are recorded at their estimated fair value at the date of donation. Donated services are recognized as contributions in accordance with GAAP, if the service (a) creates or enhances nonfinancial assets or, (b) specialized skills are performed by people with those skills that would otherwise be purchased by MISF. Donated services that require a specialized skill are recorded at the value had the services been purchased.

In-kind contributions are as follows:

	<u>2015</u>	<u>2014</u>
Goods	\$14,978	\$10,236
Services	-	2,000
	<u>\$14,978</u>	<u>\$12,236</u>

F. CASH AND CASH EQUIVALENTS

For purposes of the statement of cash flows, cash and cash equivalents is defined as the checking and savings accounts of MISF and short-term investments with original maturity dates of three months or less. Bank balances may exceed FDIC coverage from time-to-time through-out the year.

G. TAX STATUS

MISF has received notification that it qualifies as a tax-exempt organization under Section 501(c)(3) of the U.S. Internal Revenue Code and corresponding provisions of State law and, accordingly, is not subject to federal or state income taxes. However, any unrelated business income may be subject to taxation. MISF has not had any material unrelated business income. MISF's 2012 through 2014 tax years are open to examination by regulatory authorities.

A tax expense or benefit from an uncertain income tax position (including tax-exempt status) may be recognized only when it is more likely than not that the position will be sustained upon examination by taxing authorities. Management believes MISF has no uncertain income tax positions that would result in an accrual, expense or benefit under the more likely than not standard.

MINNESOTA INDEPENDENT SCHOOL FORUM
NOTES TO FINANCIAL STATEMENTS
June 30, 2015 and 2014

H. USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

I. FUNCTIONAL EXPENSE ALLOCATION

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

J. PROPERTY AND EQUIPMENT

MISF capitalizes all property and equipment acquisitions in excess of \$500. The cost of property and equipment is depreciated over the estimated useful lives of the related assets. Depreciation is computed using the straight-line method over an estimated useful life of five years. Maintenance and repairs are charged to operations when incurred. When property and equipment is sold or otherwise disposed of, the asset account and related accumulated depreciation account are relieved, and any gain or loss is included in operations. Website design is amortized over 5 years using the straight-line method. Amortization expense is included with depreciation. Depreciation expense charged to operations for the years ended June 30, 2015 and 2014 was \$2,955 and \$3,215, respectively.

K. UNCOLLECTIBLE RECEIVABLES

MISF uses the allowance method to account for uncollectible receivables. The allowance is based on prior years' experience and management's analysis of the outstanding receivables. At June 30, 2015 and 2014, MISF believes all balances to be collectible; therefore, no allowance is necessary.

Note 2 RETIREMENT PLAN

MISF sponsors a defined contribution salary reduction retirement plan that covers all full-time employees. The plan provides for a 6% employer contribution based on all eligible employee compensation. Pension expense for the years ended June 30, 2015 and 2014 was \$19,787 and \$18,779, respectively.

MISF sponsors a Section 457(b) deferred compensation plan. The plan calls for 4% nonelective contributions on behalf of the former president of the organization and allows for elective deferrals. Deferred compensation expense for 2015 and 2014 was \$2,592 and \$4,320, respectively. The deferred compensation asset and offsetting liability was \$23,940 at June 30, 2015 and \$19,820 at June 30, 2014.

MINNESOTA INDEPENDENT SCHOOL FORUM
NOTES TO FINANCIAL STATEMENTS
June 30, 2015 and 2014

Note 3 TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets are restricted for the following:

	<u>2015</u>	<u>2014</u>
Time restricted	\$44,860	\$66,313
Purpose restricted:		
STEM	249,861	198,666
Educational conferences	<u>8,000</u>	<u>8,000</u>
Total	<u>\$302,721</u>	<u>\$272,979</u>

Purpose restrictions may also be restricted for time.

Note 4 OPERATING LEASES

MISF has an operating lease agreement for office space and storage which began on January 1, 2012 and extends through September 30, 2017. The agreement calls for monthly base rental payments of \$743, increasing yearly by 25 cents per square foot. The agreement also calls for the payment of pro rata operating expenses and real estate taxes for leased premises. Rent and utility expense for years ended June 30, 2015 and 2014 was \$19,372 and \$19,695, respectively.

In March 2012, MISF entered into an operating lease for a copier. The agreement calls for monthly payments of \$208 until February 2017. Rent expense for the copiers was \$2,909 for the years ended June 30, 2015 and 2014.

Minimum future rental payments under these noncancelable operating leases are as follows:

	For the Year	
	<u>Ended</u>	<u>Total</u>
	2016	\$12,213
	2017	11,626
	2018	2,986

Note 5 FAIR VALUE MEASUREMENTS

Under GAAP, fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (i.e., the “exit price”) in an orderly transaction between market participants at the measurement date. GAAP establishes a fair value hierarchy categorized into three levels based on the inputs used. Generally, the three levels are as follows:

- Level 1 – Quoted prices in active markets for identical assets.
- Level 2 – Significant other observable inputs.
- Level 3 – Significant unobservable inputs.

MINNESOTA INDEPENDENT SCHOOL FORUM
NOTES TO FINANCIAL STATEMENTS
June 30, 2015 and 2014

Assets or liabilities that are measured at fair value on a recurring basis are as follows at June 30, 2015 and 2014:

	Level 2	
	2015	2014
Assets held for deferred compensation	\$23,940	\$19,820
Deferred compensation payable	23,940	19,820

Both amounts are valued using the fair value of the underlying investments, which are based on quoted market prices.

Note 6 NOTE PAYABLE

In 2014, MISF had note payable with monthly payments of \$1,550, interest rate of 7%, and a maturity date of September 2, 2014. During October 2014, the terms of this note were modified to monthly payments of \$2,000, interest rate of 6.50%, and maturity date of December 31, 2015. Balance of this note payable was \$76,228 and \$90,941 at June 30, 2015 and 2014, respectively.

On June 16, 2015, MISF acquired a second note payable that has three fixed monthly payments with the final payment occurring September 30, 2015. Interest rate is 7%. Balance of this note payable was \$50,000 at June 30, 2015.

Both notes are secured by substantially all assets.

Note 7 SUBSEQUENT EVENTS

Management has evaluated subsequent events through [REDACTED], 2015, the date that this report was available to be issued, and concluded that there are no subsequent events that require disclosure.

DRAFT / 8-21-15

AUDIT MANAGEMENT LETTER

To the Board of Trustees
Minnesota Independent School Forum
Saint Paul, Minnesota

We have audited the financial statements of Minnesota Independent School Forum (MISF) for the year ended June 30, 2015, and have issued our report thereon dated [REDACTED], 2015. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated July 21, 2015. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Results

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by MISF are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2015. We noted no transactions entered into by MISF during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We believe the most sensitive estimate affecting the financial statements was management's estimate of the allocation of functional expenses. We evaluated the key factors and assumptions used to develop accounting estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent and clear.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in dealing with MISF's staff and management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no uncorrected misstatements that have an effect on our opinion on the financial statements. There were no misstatements identified and corrected during the audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated [REDACTED], 2015.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to MISF's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as MISF's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Report on Internal Control

In planning and performing our audit of the financial statements of MISF as of and for the year ended June 30, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered MISF's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purposes of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MISF's internal control. Accordingly, we do not express an opinion on the effectiveness of MISF's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that we have not been identified.

Closing

Other Matters Discussed with Management

We discussed with management the significant 2015 decrease in unrestricted net assets (URNA), resulting in deficit URNA at June 30, 2015 of \$61,017. We understand the Board of Directors is mindful of the situation.
