

# 2015-2016 ANNUAL REPORT

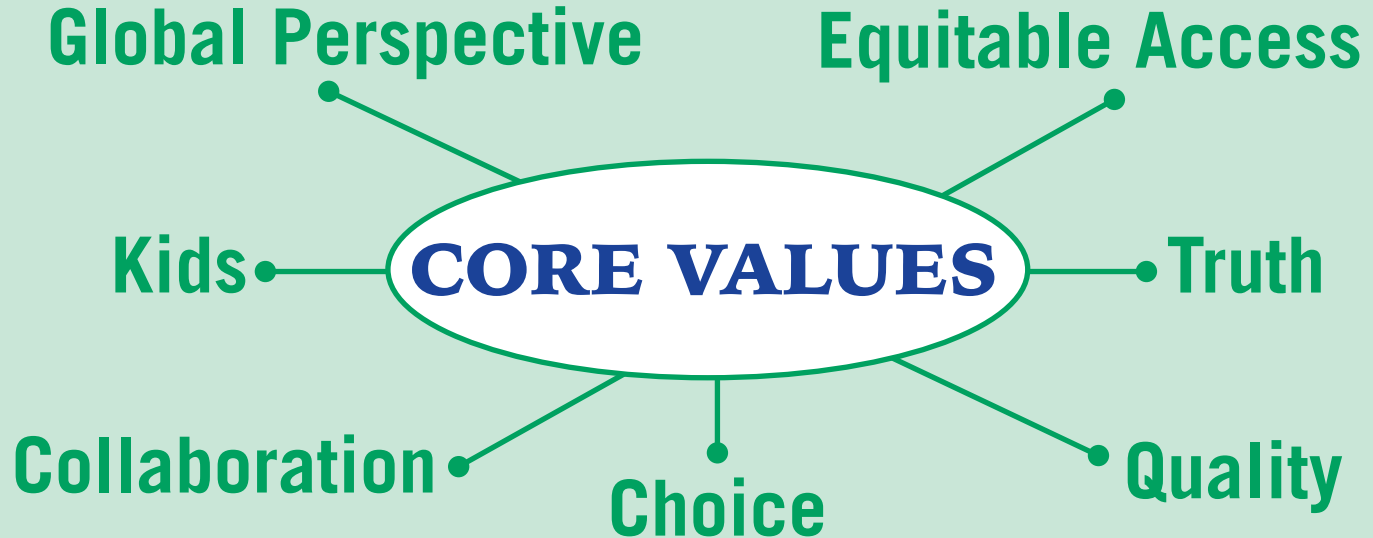

MINNESOTA  
INDEPENDENT  
SCHOOL FORUM

# Mission:

---

To strengthen Minnesota's independent schools through advocacy and advancement.

Dear friends of Minnesota Independent School Forum:

We acknowledge and thank our generous funders, donors, sponsors and collaborative partners for the investment of time, talent and financial resources to support independent and private schools. This support is vital as we connect and convene a cohort of 155 member schools across Minnesota. We also thank our member schools, who prioritize their connection and involvement in a vast network of students, educators and leaders.

This year was very successful and illustrated a highly active and engaged membership. During the 2015-16 year:

- A record number of participants came to the STEM Education and School Leadership Conferences. More than 370 educators and school leaders attended these two events during August and September.
- Nearly 150 schools participated in the 2015 Statewide Census of Private Education (SCOPE) study. This effort is a comprehensive research project focused on independent and private education in Minnesota. Final report results will be released during fall 2016.
- More than 85% of our member schools engaged in at least one of our offerings during the year. Nearly 40% of our cohort accessed more than 3 offerings or resources during the year.

- More than \$129,000 in STEM grants were distributed to 33 schools. These grants provided funding for hands-on projects in our member schools across Minnesota.

- Through our Opportunity for All Kids (OAK) coalition, significant progress was made toward enhancing educational choice in Minnesota. We are committed to advancing these legislative priorities for the benefit of all students.

Our sincere thanks to outgoing board members Greg Anklam, Jim Flaherty, Donna Harris and Doug Jaeger for their service and active commitment to a strong and vibrant sector.

We welcome your voice, support and assistance to further raise the capacity of independent and private schools in our state. We always keep this mantra central to our efforts - "It's about kids!"

Jennifer Cassidy  
*Chair, Board of Directors*

Tim Benz, CFRE  
*President*

## 2015-2016 Member Schools

MISF member schools represent a strong array of educational choices serving students and families across Minnesota.

During 2015-16, MISF's membership network grew to 155 schools serving 32,862 students.

**Academy of Holy Angels**  
Richfield, Grades 9-12

**Academy of Whole Learning**
