

**Development Report FY 2019/2020
June 2020**

Grants

- Received a grant for \$100,000 from the GHR Foundation to support the private and independent school community during this time. \$95,000 in microgrants were distributed to schools to assist with facility cleaning needs (equipment, materials, service), equipment/technology for eLearning/distance learning (hardware, software, internet access) and childcare
- Submitted a \$100,000 grant to the Minnesota Disaster Recovery Fund to support schools with critical short and long term needs as a result of COVID. Grant was denied.
- Submitted a \$50,000 grant request to the Schott Foundation. Grant for \$50,000 was awarded in April to support the STEM Program.
- Submitted a grant to Xcel Energy for \$25,000. Historically, this grant had been targeted to support the STEM Program. Xcel did allow their partners to apply for General Operations support during this time to help stabilize the non-profit community. MISF did apply for a General Operations grant but has the flexibility to use the funds to support the STEM Program. Grant notification should be in June.
- Submitted a General Operations grant request to the Schulze Foundation for \$40,000, and increase of \$5000. During this time, the foundation is allowing partners the flexibility to use funds to support general operations or programs as needed.
- Submitted a \$60,000 STEM program grant to 3M targeted to serve underserved and under resourced schools. Grant notification should be in June.
- Boston Scientific invited MISF to apply for emergency funding to support underserved schools during this time. A grant for \$20,000 was submitted on May 11 to provide leaders and educators with social-emotional learning programming, training, and resources to support schools, educators and students during this critical time. This grant is pending. Notification should come in June.
- Submitted a grant request for \$2000 to Emerson to support General Operations. Grant was award but payment is pending.

Honor Fund

- An spring appeal was mailed at the end of March
- A year end appeal was mailed the beginning of June 1.
- Donor communications were sent in March and June to update supporter on MISF's efforts to support schools during this time.
