# Knowledge is Opportunity

Vision: To impact and inspire education providers to advance and enable pathways of success for all learners

“Continuous improvement is an embedded behavior within the culture of a school that constantly focuses on the conditions, processes, and practices that will improve teaching and learning.”

Mark A. Elgart, Ed.D.,

*Meeting the Promise of Continuous Improvement*

# Network Membership Benefits

## Resources to support improvement and accreditation

# What is the Cognia Learning Community?

- Web-based platform
- Facilitated professional learning communities
- Defined set of new asynchronous learning modules (Learning Labs)
- Virtual “live” learning opportunities
  - Teacher Talks
  - Leadership Lessons
- Resource library
- Recommended learning/engagement opportunities

# Stem Certification

A specific framework and improvement process, culminating in recognition for programs that demonstrate a strong and effective STEM focus.

Provides hallmarks of quality, focus on characteristics like problem-based experiential learning and the integration of STEM thinking into a broad range of activities and learning opportunities

Conveys to families and staff your commitment to high-quality STEM education and encourages enrollment with a unique differentiator
