WHY

SEL Social Emotional Learning

ACADEMIC IMPROVEMENT:

Shown to raise students' achievement scores by 11-17%

FOSTERS POSITIVE ATTITUDES:

Provides students a greater ability to properly manage stress and depression

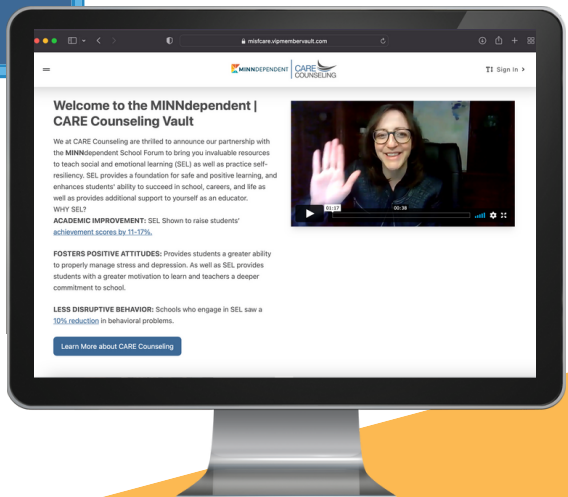

LESS DISRUPTIONS:

Schools who engage in SEL saw a 10% reduction in behavioral problems

CARE Counseling, in collaboration with MINNdependent, is thrilled to announce continuing education that is approved by the Minnesota Board of School Administrators! We have developed ten online modules on social emotional learning (SEL) that total six clock hours of approved continuing education! We are so excited to share this resource with you!

SEL provides a foundation for safe and positive learning, and enhances students' ability to succeed in school, careers, and life as well as provides additional support to your staff.
