As a first time attendee and someone that is new in the leadership role, it was a little awkward at times to "find friends" and network. A little out of my comfort zone. Topics were good, but I wouldn't rate as amazing. Location and cost was super and I appreciated the opportunity to connect with some. I did feel very welcomed by Minndependent. I would rate as good to very good.

It would be so nice if people coming from the same school could room near each other and we can collaborate in our common areas during breaks. Our team was scheduled all over the property. We want to be together - we came together. How can we request this for next year?

The conference room was rather cold...
Wifi was a little weak...
Obvious need of better wifi....

It was a wonderful time for our team and the time to connect with other schools.

Well done! Thank you for your commitment to make us better leaders for our schools, communities and the families we serve.

I enjoyed the conference cadence. Sessions were broken apart with short sponsor presentations and breaks.

Only suggestion- start the morning a little later. Now this is coming from someone who is NOT a morning person! I know we are all here on business, but it's nice to pretend this is a mini vacation and an extra hour in the morning to soak in the mist on the lake with a cup of coffee could do wonders for the soul. :)

It helped inspire my admin team to find a focus for our school year this year!

Thanks for a great conference!

What a great time to rejuvenate and reconnect. Thanks for being such an important support and guide to independent schools!
